

Depleted Uranium's Legacy

by the Right Livelihood Foundation

In the wake of the 1991 Gulf War, the UK Atomic Energy Authority produced a report estimating that 50 tons of dust from depleted uranium (DU) shells left behind in the Iraqi soil could cause up to 500,000 extra cancer deaths in the region over a 10-year period. At least 300 tons of DU-tipped shells (and possibly much more) were used against Iraqi tanks.

In 1997, a British Ministry of Defense paper – recently leaked to the press – warned that “inhalation of insoluble uranium dioxide dust will lead to accumulation in the lungs with very slow clearance – if any” and noted that “uranium dust inhalation... has been shown to increase the risks of developing lung, lymph and brain cancers.”

These warnings are seriously at variance with claims from Washington, London and NATO that there is no proven link between DU and leukemia or other illnesses. For citizens' organizations and military personnel who have fallen sick since serving in the Gulf or Kosovo, the no-proven-link argument deliberately avoids the issue. NATO members Italy, Germany and Greece all have pushed for a moratorium on the use of DU, but they have been overruled by the US and Britain.

Storage of DU – a by-product of the nuclear fuel and reprocessing industries – is a growing problem. One British site alone has 20,000 tons of DU. Recycling DU into ammunition is a perfect solution for the military-industrial complex.

In the meantime, some companies can't wait. After an employee tipped off a national newspaper, British Nuclear Fuels admitted it was dumping 30,000 bags of nuclear waste containing DU on a municipal waste heap near Lancashire in northwest England. This is alleged to pose a long-term risk, because when uranium decays it breaks down into radon gas – a well-known cause of lung cancer.

The risk of leukemia from depleted uranium ammunition may be 100 times greater than official estimates. Research by low-level radiation specialist Chris Busby has shown that leukemia deaths after the Chernobyl disaster were 100 times greater than predicted. The reason (which would apply equally in Iraq) is that forecasts have been based on short-term exposure to intense blasts of radioactive rays rather than on exposure to the long-lived radioactive particles created when uranium shells explode and shatter. The European Parliament's Green Group has called for a total ban on DU weapons.

In January, the British military resumed test firing of DU shells at the Dundrennan firing range near Kirkcudbright, Scotland. Since 1982, more than 7,000 shells have been fired at the range. The shells are meant to land in the sea, but attempts to retrieve are not always successful and 28 tons of DU shells have gone missing. An independent nuclear consultant called this “a disaster waiting to happen. Eventually it will end up in the food chain. What they have done is outrageous and irresponsible.” Environmentalists fear that the shells could break up and be washed ashore after a storm, posing a hazard for children playing on beaches.

Furthermore, up to 24 shells have misfired and hit the ground, generating clouds of DU dust. In most cases these “malfunctioning penetrators” buried themselves in the ground and have not been recovered.

PPWC believes in ending capitalism, imperialism,
apartheid-ism, and all other types of exploitation
that are the root causes of war and social ills.

PPWC was created to lend support to and be a
vehicle for Political Prisoners (PP) and Prisoners of
War (POW), that members might aid themselves
from a collective perspective against all forms of
threats, harassment, forced labor and abuse. There is
a serious need to fully address these issues by
developing a networking system among prisoners to
change their prison conditions...

SICKENING REALITY OF TERRORISM AND HATRED, BUT DON'T EXPECT ME TO WAVE YOUR SILLY FLAG OR FEEL AN OUNCE OF PATRIOTISM TO THIS DISGUSTING SYSTEM. I HATE YOUR SYSTEM! I'LL WIPE MY ASS ON YOUR FLAG. I CRY FOR THE INNOCENT VICTIMS OF THIS TRAGEDY. I COULDN'T GIVE A RAT'S ASS ABOUT YOUR CORPORATE PROPERTY. SO THE BIG QUESTION IS WHO'S TO BLAME? WHO CAUSED THIS HORROR TO HAPPEN? SIMPLY PUT WE ARE TO BLAME, WE CAUSED THIS TO HAPPEN. NOT US AS A PEOPLE BUT OUR GOVERNMENT AND MILITARY LEADERS. THE USA HAS PLAYED THE ROLE OF THE GLOBAL BULLY, WE'VE TRAINED DEATH SQUADS OF THE THIRD WORLD. WE HAVE PERPETUATED COVERT POLITICAL ASSASSINATIONS, AND THE LIST GOES ON. OUR HYPOCRISY AS A NATION SHOULD BE SELF-EVIDENT, BUT IT'S NOT. WE CRY FOR THE 5,000-6,000 THAT DIED ON SEPTEMBER 11 BUT WHO CRIES FOR THE SAME NUMBER OF CHILDREN THAT DIE IN IRAQ EVERY MONTH AS A RESULT OF THE U.S./U.N. SANCTIONS? OUR POLICIES IN THE MIDDLE EAST AND ELSEWHERE HAVE CAUSED THE REST OF THE WORLD TO HATE US AND THEY'RE JUSTIFIED TO HATE US. IF WE WERE TRULY TO FIGHT A WAR AGAINST TERRORISM THEN WE WOULD START WITH OUR OWN COUNTRY. WE WOULD DESTROY THE SCHOOL OF THE AMERICAS WHICH IS A VERY REAL TERRORIST TRAINING CAMP. AS LONG AS THE UNITED STATES GOVERNMENT STANDS TERRORISM WILL EXIST BECAUSE OUR GOVERNMENT IS THE MOST SICKENING BUNCH OF TERRORISTS TO EVER EXIST. NOW MORE THAN EVER BEFORE THE UNITED STATES GOVERNMENT MUST BE OVERTHROWN AND REPLACED BY AN ANARCHIST SOCIETY OF LOVE, RESPECT, AND MUTUAL AID. SO ALL YOU REVOLUTIONARIES KEEP BURNING THE AMERICAN FLAG, YOU ALL DO ME PROUD.

CIA. They're our erstwhile allies! We love them when they slaughter their own people, or their neighbors, as long as U.S. political, military and business interests are being properly catered to. We give them chemical, biological and conventional weapons, wink at their narcotics empire and remain unconcerned about their genocidal rampage: Remember Rios Montt of Guatemala? Reagan said he got a "bum rap!" The contra butchers were "Freedom Fighters!"

The world's people suffer enormously and many know their misery is U.S. - dictated. For we usurp 5 - 6 times our share of all of the world's resources, pollute at will, maraud through the economies, societies and cultures of the peoples of the world, grow obscenely obese and still tens of millions of our own people live in squalor!

Yet, we're stunned when death and devastation come: back down on us. But now? And now, we're going to go throughout the world and mass murder people and really destroy things in our blind blood lust for revenge!

The German's were so deliriously overjoyed to march to their eventual slaughter, on the eve of World War I. We continue to have learned nothing and actually know less now than ever before. Dead, dying, corpses and a radioactive wasteland of a once beautiful paradise of teeming life on Earth. That'll be our legacy, if we continue to blindly support this horrible, evil, false greed-based system, grounded in slavery.

I wish the realities of the here and now were otherwise. But, they are not!

What can we do? We can strive to be the best, most loving person we can possibly be, be helpful to other people, educate ourselves and others and try to prevent as much senseless devastation as possible. For, our neighborhood (Earth) is being stalked by ruthless killers.

Don't get swept up in the Rwandization of America!

Sanity Has Left The Building

It's terrible what happened to those people in New York.
 It's always terrible when innocents are slaughtered.
 Terrorism is pure evil.

It was mind-numbing when the World Trade Center buildings collapsed. It was terrible when the Serbian bridge full of frightened people crumbled from our air strike. It was awful when that bunker full of women and children in Baghdad was intentionally bombed by the U.S. Air Force. It was beyond sickening when columns of Iraqi conscripts were incinerated like "fish in a barrel." It was nauseating and repulsive to see the pictures of the bloated, hacked-up bodies strewn about Sabra and Shatila. Rwanda was absolutely horrifying as the world did nothing for several weeks! Bosnia... El Salvador... Guatemala... Haiti... East Timor... Vietnam... death and massive slaughter everywhere!

Often, the survivors and relatives of victims find evidence of the origin of the deadly devices used to kill them.

Mozambique children, many missing limbs, see a piece of scrapnel from a landmine which reads, "Janesville, WI." Or a Lebanese will find fragments of a cluster bomb with some U.S. company's name, such as Remington or some bombmakers. The Agent Orange? Dow Chemical. Planes? Martin Marietta and Boeing. On and on. The killers are trained and armed by the U.S. government at a tidy profit. We're even directly involved in a huge amount of the massive slaughter in Korea, Europe, Asia, Japan, South East Asia, Panama, etc. and we set up proxies of murderous dictatorships in Indonesia, Afghanistan, Argentina - you name it!

Often, these rogue "monsters" like Noreiga, bin Laden - even Saddam Hussein, were trained &/or equipped by the

I KNOW TOMORROW HE'LL BE ALONE & HUNGRY AGAIN
PROBABLY EATING HALF EATEN FOOD OUT OF A TRASH CAN
I REMEMBER THE LAST TIME I SAW THAT KID HE SHOPLIFTED A CANDY BAR
THE COPS CHASED HIM OUT IN THE PARKING LOT & SHOT HIM IN THE BACK

ORGANIZED RELIGION
CHURCH & STATE MUST SEPARATE
BUT IN REAL LIFE THAT JUST AINT TRUE
BECAUSE ORGANIZED RELIGION BUYS POLITICIANS
THE SAME WAY MOST PEOPLE BUY A PAIR OF SHOES
THEY'LL RAISE THE STAKES
PUT IN A STEALTH CANDIDATE
WATCH YOUR FREEDOM GO UP IN SMOKE
HUMAN RIGHTS IN THIS DAY & AGE
WHAT A FUCKING JOKE

SCREAMS OF PAIN
THE ANIMALS ARE SCREAMING THEIR SCREAMING IN PAIN
USELESS RESEARCH & CRUEL EXPERIMENTS DONE IN VAIN

RABBITS HAVE TOXIC CHEMICALS SHOVED INTO THEIR EYES
CATS & DOGS GIVEN NICOTINE TIL THEY DIE
AND NOW HUMAN EARS ARE GROWN ON THE BACKS OF RATS
THIS WITCH CRAFT WON'T SOLVE ANYTHING & THATS A FACT
PROCTOR & GAMBLE ARE THE MOST NOTORIOUS ANIMAL TESTERS
BUT THERES MANY MORE GETTING RICH AT THE EXPENSE OF ANIMALS
BUT THE HUMAN ANATOMY IS QUITE DIFFERENT THAN THAT OF A RAT
SO THE RESULTS OF THESE TESTS ARE USELESS MISLEADING CRAP
THERES MANY OTHER ALTERNATIVE TESTS THAT COULD BE USED
AND WE COULD STOP THIS INHUMAN ANIMAL ABUSE
EVERY 12 SECONDS AN ANIMAL DIES FOR STUPID RESEARCH
THE ANIMALS ARE SCREAMING SCREAMING IN FUCKING PAIN
BUT THE QUESTION I ASK ARE YOU LISTENING

COMPLACENT
YOU THINK YOUR SO RADICAL BUT YOUR REALLY NOT
THE SYSTEM HAS YOU RIGHT WHERE IT WANTS YOU
YOUR SO DRUNK & HIGH ALL THE TIME YOUR NO REAL THREAT
PUT YOURSELF INTO A DRUG INDUCED COMA IS ALL YOU DO
WAKE UP IS WHAT I WANT YOU TO DO
DON'T LET YOUR ADDICTION CONTROL YOU
STOP BEING SO COMPLACENT
SOBER UP & DESTROY THE GOVERNMENT

ACTION
HOW LONG WILL YOU REMAIN THEIR PUPPET
HOW LONG WILL YOU IGNORE THESE ATROCITIES
SHITS BEEN GOING ON TOO LONG
ALL I CAN FEEL IS ANGER AT THIS BULLSHIT SOCIETY
ACTION(3) DESTROY THEIR FUCKING POWER

THE FOURTH OF JULY
YOU WANT TO CELEBRATE LIBERTY & JUSTICE
BUT THERE IS NO ONE TO CELEBRATE
ON THIS & EVERY FOURTH OF JULY
YOUR FORCED TO IDOLIZE SELF LOATHING FEAR & HATE
MULTIMEDIA WANTS YOU TO BELIEVE IN A DREAM
BUT THAT DREAM IS FUCKING DEAD
YOU'LL SOON REALIZE THE TRUTH OF MY WORDS
IF YOU JUST USE THE BRAIN IN YOUR HEAD
DO YOU SEE THE HOMELESS & STARVING
DO YOU SEE THE COVERT CIA ASSASSINATIONS
DO YOU SEE THE PAIN & SUFFERING
WHY DO YOU CELEBRATE THE BIRTH OF THIS NATION
I'M SO FUCKING SICK OF PATRIOTIC IDIOTS
WAVE YOUR GOD DAMN FLAG & CLOSE YOUR EYES
YOUR FOURTH OF JULY CELEBRATION IS A FARCE
WHY DON'T YOU SEE THE PEOPLE THAT DIE

WORDS OF DISCOURAGEMENT
YOU SAY YOUR NOT SEXIST BUT OF COURSE YOUR SEXIST
YOUR JUST MORE SUBTLE THAN THE GENERATION BEFORE
YOU TELL WOMEN YOUR PARANOID YOUR DOING IT ALL WRONG
AND THEN WHEN WOMEN DISAGREE WITH YOU YOU CALL THEM BITCHES & WHORES
WITH YOUR WORDS OF DISCOURAGEMENT YOUR HURTING WOMEN JUST THE SAME
YOU PREY ON INSECURITY & CONFUSION ITS ALL PART OF THE WHITE MALE GAME
BUT SOMEDAY YOU'LL BE CALLED ON YOUR SHIT
SO JUST SHUT UP BECAUSE YOUR A FUCKING SEXIST

THINK FOR YOURSELF
ITS NOT THAT HARD ITS NOT ASKING MUCH
LOOK INSIDE YOUR OWN MIND ORIGINAL IDEAS ARE YOURS TO TOUCH
FORGET WHAT THIS OR THAT BAND SAYS
LISTEN TO THEIR WORDS BUT COME TO YOUR OWN DECISION
FOR ONCE IN YOUR LIFE THINK FOR YOURSELF
AND BREAK THE CHAINS OF INDECISION

MY WORDS
WITH MY LYRICS I'M TRYING TO TEACH & EDUCATE
