For more info
on Code-13
see HAVOC
ad on back
page. Int. by
Fleshpile

(F)-WHO ARE YOU AND WHAT DO YOU DO IN THE BAND? (fx)-Felix,vocals.
(F)-HOW LONG HAS CODE-13 BEEN AROUND? (fx)-SINCE 1994. (F)-YOU WERE
ALSO PART OF THE BAND DESTROY WHAT HAPPENED WITH THAT? (fx)-We got
sick of eachother and broke up. (F)-YOU SAID YOU HATE DOING THESE
INTERVIEWS, WHY? (fx)-VERY time consuming, and most of the zines
never come out, or only come out four years after you do the interview.
Ive got like, 40 to do tonight, I bet send me 5 copies of the finished
zine. (F)-WHAT THE FUCK ARE YOU TALKING ABOUT? ARE YOU CALLING ME LAZY?
JUST FOR THAT SNIDE REMARK ILL SEND YOU ONE COPY!BUT ANYWAY HERES THE
PART WHERE I DELVE INTO YOUR PSYCHE, YOU DONT MIND DO YA? (fx)-Do you
have a background in psychalasis? (F)-NO BUT I CAN SPELL IT BETTER
THAN YOU DID. BUT REALLY, WHAT DO YOU THINK ABOUT CLICKS AND COLLECTIVES
BEING FORMED IN A SCENE THAT WAS SUPPOSEDLY CONCEIVED TO ABOLISH THAT
SORT OF ELITIST MENTALITY? (fx)-Hardcore tends to replicate mainstream
culture rather than to provide a true counter culture. MINOR THREAT
hit the nail on the head with "It followed me" People bring ignorant
ideas into Hardcore. They act the same as their frat boy and jock peers
just in a different set of clothes. (F)-DIY A JOKE? OR A REALISTIC
CULTURE/COMMUNITY? (fx)-Both. It just depends on the individual and
their own level of commitment. DIY can be a viable and exciting
alternative to the mainstream music industry, or it can also be a sorry
half-assed attempt best left undone. (F)-WHAT ARE YOUR OPINIONS ON
EDUCATING THE KIDS, DO YOU FEEL YOU HAVE AN OBLIGATION TO THEM?
(fx)-I provide a view and some facts but not the answers. They dont
have to agree with my opinions or my interpretations of the facts.
Hardcore/Punk is about thinking for yourself. You look at the facts
and make up your own mind. (F)-WHAT IS WRONG WITH THE SCENE TODAY IN
YOUR OPINION? (fx)-Lots. Commercialism, Generic shitty bands. A glut
of poorly thought out releases. Rip-off Distro Kids and their fat
pants at shows. But still, HC is the best and its all we have, I'd
rather do my part to change it rather than to give it up. (F)ANY SIDE
PROJECTS? (fx)-For me nothing is a side project. I run a label, HAVOC
Records, I work at EXTREME NOISE RECORDS (th store) play in CODE 13
and still work full time. If I did a side project it would be an
AC/DC cover band. (F)-A LOT OF PEOPLE BITCH ABOUT THE "PROBLEMS IN
THE SCENE", GIVE ME AN EXAMPLE OF SOMETHING YOU HAVE DONE WHICH YOU
FEEL DIRECTLY OR INDIRECTLY AFFECTS THE SCENE TODAY? (fx)-"At least
im fucking trying, what the fuck have you done"(HUR?-) I put out
records, help out bands, book shows work at ENR and make my opinion
known in fanzines. I run my own little corner of the punk rock
universe the way I think it should be run. (F)-THANKS FOR YOUR TIME
FELIX. IN CLOSING I HAVE ONE QUESTION, "TIM YOHANNON'S DEATH, TRAGIC
LOSS OR HILARIOUS IRONY? (fx)-Tragic loss. Whether you agreed with
Tim or not, he was totally dedicated to punk rock for over 20 years
How many of his shit-talking critics can say that they stood by the
same principles they had at day one for 20 years? Most of those who
complain so loud are around for a year or two then forgotten. I have
little time for critics who arent doing anything themselves. After
ten or more years in the real world, lets how valid those views are.

DOOM

are still going strong. Thanks to Bri for the interview..... YOU'VE BEEN AROUND FOR QUITE SOMETIME NOW, WHAT KEEPS YOU STILL INVOLVED? AND ARE YOU SATISFIED WITH WHAT THE BAND HAS ACHIEVED? Basically DOOM keeps me sane (just about), there have been times when it hasn't really worked out and I'm not happy with everything we've done, but that just makes me even more determined to carry on!! At the moment I'm very happy with what we're doing, but if it comes to a point where I don't enjoy it anymore, then I'll just do something else. IN WHAT WAY WOULD YOU CALL THE BAND DIY? AND HOW IMPORTANT DO YOU THINK THE DO-IT-YOURSELF ETHIC IS TO PUNK? Well, apart from releasing our own records, we do everything else ourselves, interviews, write letters, trade records, artwork (most of the time), and we live it that way. We've had a few offers off some German labels like "We Bite", but basically to us that's not "Punk", it just seems like those labels are just turning punk into a "Product" to be "Consumed". We learned our lesson with "Peaceville"! WHAT COUNTRIES HAVE YOU TOURED? AND WHAT HAVE BEEN SOME OF THE MOST MEMORABLE GIGS TO DATE? Germany, Austria, Spain,

Japan, Holland, Italy (One gig), Yugoslavia (one gig), Czech Rep., Finland, Sweden, Poland, Belgium, France, Portugal, Guernsey (one gig where we played about two songs and then were stopped by the pigs!), Ireland (Dublin & Belfast), Wales, Scotland, & England! The most memorable for me were Udine (Italy), with CONCRETE SOX, where we tried for a whole day to get into Italy and had to cross the Alps into Yugoslavia, stay in a posh hotel, which was dirt cheap cos of the exchange rate, the tried to drive to the Italian border, but the motorway ran out! So we had to drive to the top of a mountain, where the van broke down so we had to push it to the top. Eventually we made it to the border where we were made to empty everything out of the van at gun point. The van was then searched with dogs and then 48 hours after we'd tried to get in through Switzerland we made it into Italy. The gig was shit!, we played to CONCRETE SOX, and they played to us. Unforgettable! Lodz, in Poland was amazing, about 800 people in a venue made for about 400! In the middle of a heat wave, where the only ventilation was a hole in the wall, just big enough for someone to poke their head through cuz they

couldn't get in. Seriously crazy! WHAT ARE YOUR THOUGHTS ON ANARCHISM? DO YOU CONSIDER YOURSELF AN ANARCHIST IN ANYWAY? To me anarchism is the most sane way of living; anarchism to me is treating others how you would want them to treat you, being able to do anything or think anything or say anything as long as it doesn't stop someone else from doing, thinking, or saying what they want to. I believe everyone should be treated equally regardless. I don't believe in hierarchies are the answer, and I don't believe people have to be told what to do. The majority of people thinking that they need authority only because they are conditioned not to believe in themselves. I suppose I might consider myself as having anarchist ideals, but other people might not call me an anarchist.

WHAT IS THE BAND CURRENTLY WORKING ON? CAN WE EXPECT ANY NEW RELEASES? At the moment we're busy writing new tunes and trying to get in the right frame of mind to write lyrics. The new songs (four so far) are sounding better than they did in my head so that's a good sign. We are still waiting to hear from Profane Existence about when the FUCK PEACEVILLE double LP will be out, it should have come out last year sometime. It contains re-recordings of all the songs on WAR CRIMES, BURY THE DEBT, and POLICE BASTARD and it'll be sold as cheap as possible, so people don't buy to buy TOTAL DOOM which is now owned by Music For Nations. FUCK PEACEVILLE may also be released on CD by Vinyl Japan, but we'll have to wait and see. Out in the

next month or so is our new EP MONARCHY ZOO on Vinyl Japan, this will also be on CD, which will contain a full live gig recorded in Lahti (Finland). In June we plan to record a full length LP/CD, to be released in August on FLAT EARTH RECORDS. CAN YOU TELL US ABOUT THE "HAIL TO SWEDEN" E.P.? HOW IT CAME ABOUT? AND WHY YOU DECIDED TO DO COVERS OF SWEDISH BANDS? Well the record came about 'cos a friend offered us a 7" and we didn't have any new songs at the time. We'd been thinking about the idea as a joke for years, as we've always been influenced by the Swedish punk scene. The cheesy Manowar record HAIL TO ENGLAND was hilarious

England as the home of true metal, so we thought we should hail England as the home of true punk. WHAT ARE YOUR VIEWS ON CLASS WAR? BOTH THE PAPER AND THE FEDERATION? Funny as fuck! I don't take it too seriously, but I do agree with nearly everything they have to say. I used to buy the paper, but nowadays not that many people tend to sell it, which is a shame. Is there a

If we cannot fight the government and gain control so on and so forth, Why arent the people who say they beleive in these theories and statements get together and build a stronger more secure fabric of these dreams? Mainstream Politics.

Many punks and people dismiss the fact or even fail to realize that a battle already wages? Mainstream Politics and the veiws old dear to most patriotic American people were the first strike at our movement".

On Television punks are always the bad guys and have always displayed according to the media) strongand most always, violent tendencies.

Anarchism Vs Mainstream Politics

In this decrepit world there seems to shine a light at times.

A Utopian Vision of a world free of oppression, coercive control & lies.

But then the Mainstream takes a better look at the bringers of this wonderful dream.

Proppelled by anger, hate & fear hordes of "punks" & "anarchists" Try to maintain this idea as if the very thought or theory was as childish and basic as building blocks.

The job for any "anarchist" is to be involved, a collective, as any running one will tell you, relies on not everyone leading but every-one working together in solidarity.

This is contrary in mainstream politics, where money is the sole if not only reason for life.

So if the public willnot help perpetuate this "vision" why cant we?

Knights of Colum

The medias non-existent coverage of the music and bad press when it does surface is just another shot within our borders.

What propells these strikes? What motivates society to attack? Mainstream Politics.

The reason for the reiteration of this theory is to bring a new awareness to the facts and to educate eachother on this topic.

SOUTH CHICAGO ARA ALERT (ANTI-RACIST ACTION)

A new chapter of ARA was begun May 16th. Chicagoland is notorious for its segregated, racist history. The south side and suburbs have always been plagued by an ignorant, abusive and at times violent atmosphere. Determined folks have decided we have had enough and have decided to organize against this disgrace and expose this menace with direct action, armed with the studied truth.

We will look into and report on racist situations from around the Chicagoland area, with a particular emphasis on the southside of Chicago and the south suburbs. We're going to battle ignorance and hate with brotherhood, sisterhood and insightfulness.

Racism goes way beyond the bonehead mentality of the nazis and klansters. Although these creeps must be exposed, it is the suit and tie gang who manipulate their strings, that must ultimately be stopped. The history of this country is one of slavery, horrible sexism, racism, genocide and sexual repression. Although rarely acknowledged, we are products of our history and this begins to explain why our society is so degraded by white racism.

Let's go beyond the simple explanations and papered-over "solutions." **WE MUST FIGHT RACISM!**

DAN DEAN

Dan here Im thinking about killing someone. So if your weak at heart you should probably go read something else. Right now Im just a fucking mess. Ive been trying to live in the midwest without killing people. my temper is growing out of hand and i need help. Or a good band, cause that always puts me in a good mood. Speaking of witch I recently stayed in indiana and did sound for The swinging utters U.S. bombs and the suspects. At first I thought it might be a good time meeting these "big name" punk bands. Boy was I ever wrong.

And I hope somehow that the above mentioned bands some how get a copy of this and read these next two lines **YOU SUCK ASS. YOU ARE NOT PUNK!!!** why dont you sign to sony first of all the utters had a fucking contract not just any contract but one that included mustard and 4small white towels to dry off with" Pusseys the bombs were drunk rock stars. needless to say the club got shut down.

after this happened the utters were high fiving each other Thanks for showing scene unity you piece of shit
well im trying not to get too out of control
but i will say that I want nothing to do with band that turn into rock stars. their are plenty of kic ass bands that dont act like their heads are full of rocks
Untill next time **SOMEbody CHEER UP DAMNIT!!**
